A warm welcome back to Jacaranda Class for Autumn Term 2! We hope you had an enjoyable and relaxing break. As we begin the second half of the autumn term, we are excited to build on everything we have learned so far and embrace new challenges, achievements, and memorable experiences together. Here's to another fantastic term of learning, discovery, and fun!

This term our book is…

A collection of Seasonal Poetry & Christmas Letters

Curriculum

In Jacaranda Class this term, we are excited to continue developing our communication, independence, problem-solving and key life skills through engaging and meaningful learning experiences linked to our theme, "Up the Chimney."

In English, we will be exploring a range of seasonal poetry and texts linked to Remembrance Day, Bonfire Night, Christmas, and other autumn and winter celebrations. Pupils will continue to develop their communication, reading, vocabulary and writing skills through shared reading, speaking and listening activities, group work and individual learning opportunities.

In Math's, our focus will be on position and direction, addition and money. Pupils will develop their mathematical understanding through practical activities, real-life problem-solving and hands-on learning experiences that help build confidence and independence.

Across our wider curriculum, pupils will enjoy taking part in Forest School, Art and Cooking, alongside activities that promote creativity, resilience, teamwork and independence. These provide valuable opportunities to develop practical skills, explore the world around us and build confidence in everyday life.
